

## What is a School Parent Compact?

The School-Parent Compact is an agreement that parents, students, school staff and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

The Lithia Springs Elementary School Parent Compact:

- Is linked to the goals on the school improvement plan
- Focuses on student learning skills
- Describes how teachers will help students develop those skills using high-quality instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the classroom

## How is the School Parent Compact Developed?

Lithia Springs Elementary School parents, students, staff, and teachers contributed to the development of this Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them. Meetings are held throughout the year to review the Compact and make changes based on input received. Parents can contribute ideas at any time using our Comment Cards (housed in the Parent Resource Center or in the main office). For more information about the Compact or about submitting input, please contact Hope Antunez and Kasia Rowe at Lithia Springs Elementary School at (770) 651-4105 and (770) 651-4107.

## Building Partnerships

Lithia Springs Elementary School provides many opportunities that families can utilize to help their children succeed. The **Parent Resource Center** (PRC) offers a variety of resources such as educational games, books, workbooks and other materials. Families may use materials in the center, or they may take advantage of the lending library to check-out resources for home use. There are also family workshops and meetings scheduled throughout the year that include topics such as Reading and Technology. The Lion's Den and the Parent Post are two newsletters that are sent home that include more information on family engagement activities at our school.

## Communication about Student Learning

Lithia Springs Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you include the following:
